relating to the consolidation of public notice requirements for certain air quality permit applications.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

(g-1) The notice of intent required by Subsection (a) and the notice of the preliminary decision described by Subsection (g) may be consolidated into one notice if:

(1) not later than the 15th day after the date the application for which the notice is required is received, the commission determines the application to be administratively complete; and

(2) the preliminary decision and draft permit related to the application are available at the time of the commission's determination under Subdivision (1).
